# Katherine Gorman

## What is your favorite memory of your time at the station?

Working the late Friday night DJ shift and getting to play my favorite They Might Be Giants songs.

## Why was being involved at WSDP important for you?

Oh man, how was it not would be an easier question! It introduced me to my passion and gave me the skills I needed to build my career. I really feel that I owe everything to the training and support I received at WSDP.

## What advice would you give to our current students?

Figure out what you want and keep working towards it. People aren't going to hand it to you and you probably won't get there in the way you expect to. But if you focus on a goal, always keep it in mind, and work constantly, you'll get there eventually.
